

LINTING ZHANG

Contact address: 1120 Lianhua Road, Shenzhen 518036, Guangdong Province, China

E-mail: 17ltzhang@stu.edu.cn

Tel: +86 13502940241

ResearchGate: <https://www.researchgate.net/profile/Lin-Ting-Zhang>

Language: Mandarin (Native), English (Proficient, IELTS band 7)

Education

| | |
|---------------------|---|
| Sep 2022 – Jul 2025 | Department of Oncology, Peking University Shenzhen Hospital, Shantou University |
| Shenzhen, China | Supervisor: Prof. Gangling Tong |
| | Master of Oncology |
| Sep 2017 – Jul 2022 | Shantou University Medical College |
| Shantou, China | MBChB |

Publications

* Indicates equal contribution

IL23R as an indicator of immune infiltration and poor prognosis in intrahepatic cholangiocarcinoma: a bioinformatics analysis

Lin-Ting Zhang*, Yi-Fan Yang*, Xiao-Ming Chen, Shu-Bin Wang, Gang-Ling Tong

Translational Cancer Research, 5-year IF: 1.4, 2023

TRIP13 Induces Nedaplatin Resistance in Esophageal Squamous Cell Carcinoma by Enhancing Repair of DNA Damage and Inhibiting Apoptosis

Lin-Ting Zhang, Li-Xin Ke, Xin-Yi Wu, Hui-Ting Tian, Hua-Zhen Deng, Li-Yan Xu, En-Min Li, and Lin Long

BioMed Research International, 5-year IF: 3.1, 2022

Preprints and Manuscripts

* Indicates equal contribution

Biological and therapeutic implications of solute carriers in esophageal squamous cell carcinoma

Lin-Ting Zhang, Xin-Yi Wu, Hai-Yu Zhang, En-Min Li, Li-Yan Xu, Lin Long, Manuscript

Prognostic value of inflammatory and nutritional indexes among patients with advanced gastric cancer receiving immune checkpoint inhibitors combined with chemotherapy

Mei-Qin Zhu*, **Lin-Ting Zhang***, Wen-Juan Lai*, Fang Yang, Dan-Yang Zhou, Rui-Lian Xu, Gang-Ling Tong, Manuscript

Novel biomarkers and therapeutic advances of colorectal cancer

Lin-Ting Zhang, Gang-Ling Tong, Manuscript

Grants involved

Jul 2023 Guangdong Medical Science and Technology Research Funding Project
 Title: Circ_0002238 promotes liver metastasis of colon cancer via sponging miR-320a-5p and up-regulating SERPINH1 expression (grant number: A2023274)

Clinical and Scientific Research Skills

| | |
|--|--|
| Sep 2017 – Jun 2021 Shenzhen, China | Student, Shantou University Medical College <ol style="list-style-type: none"> 1. Enrolled in the medicine programme and received a highly standardized education of medical theoretical knowledge 2. Received a standardized training in basic medical research, including cell culture, plasmid construction, MTS assay, Transwell assay, PCR, Western blot, flow cytometry, etc. 3. Received a standardized training in use of statistic and mapping software, including SPSS, Graphpad, R language, Endnote, Adobe Illustrator, etc. |
| Jul 2021 – Jun 2022 Shenzhen, China | Internship, The Ninth People's Hospital of Shenzhen <ol style="list-style-type: none"> 1. Rotated through different specialties, including Departments of Internal Medicine, Surgery, Pediatrics & OBGYN |
| Aug 2022 – Jul 2025 Shenzhen, China | Resident, Department of Oncology, Peking University Shenzhen Hospital <ol style="list-style-type: none"> 1. Enrolled in the internal medicine residency program and received a highly standardized training of oncology 2. Received a systematic training in clinical research of gastrointestinal oncology |

Awards and Honors

| | |
|---------------------|--|
| Sep 2017 – Jul 2018 | Shantou University Medical College All English Class, Full Scholarship Winner |
| Dec 2019 | Second Prize in 2019 Five-Minute Research Presentation Competition (National Final for Undergraduates) |
| Dec 2020 | First Prize in the 4th Life Science Competition (National Final for Undergraduates) |
| Sep 2021 – Jul 2022 | 2021 National Encouragement Scholarship Winner |
| Sep 2022 – Mar 2024 | 2022 Second Prize of Academic Scholarship Winner 2023 Second Prize of Academic Scholarship Winner |

Personal certification

| | |
|----------|---|
| Oct 2023 | Obtained China's Medical Practicing License |
| Jun 2025 | Obtained Resident Standardization Training Certificate of Completion (expected) |
